## 2.6 Final and Binding Bids

**A Bid submitted in connection with this RFB constitutes a firm and binding bid** that can be accepted or rejected, in whole or in part, by Service Provider. The Bid(s) shall be properly executed by an individual authorized to legally bind Bidder. In the event that a Bidder submits a Bid that designates prices per REC in more than one (1) lot, each such lot shall comprise a Bid that can be accepted or rejected, in whole or in part, by Service Provider in its sole discretion. By participating in this RFB, the Bidder understands and agrees that, notwithstanding any provision herein to the contrary, it may not withdraw its Bid at any time during the time period commencing at the time of Bid submission through the Bidder Notification by October 19, 2023, by 5:00 pm. No relief will be given for errors or omissions by a Bidder. The prices contained in the winning Bid(s) will be incorporated into the contract. A copy of Narragansett's standard MCSA is appended to this RFB as Attachment 1. Service Provider attaches considerable importance to the terms and conditions contained in the MCSA. Service Provider strongly discourages Bidders from submitting a Bid that is conditioned upon the acceptance of Bidder's proposed substantive modifications of the MCSA and hereby notifies Bidders that any such condition will be viewed detrimentally in the Bid evaluation process.

## 2.7 Certification of Proposal

An authorized officer or other authorized representative of the Bidder certifies by its submission of its Bid that: the Bidder has reviewed the RFB and all attachments and has investigated and informed itself with respect to all matters pertinent to the RFB and its proposal; the Bidders proposal is submitted in compliance with all applicable federal, state and local laws and regulations, including antitrust and anti-corruption laws; and, the Bidder is bidding independently and that it has no knowledge of the substance of any proposal being submitted by another party in response to this RFB. Violation of any of the above requirements may be reported to the appropriate government authorities.

## 2.8 Exclusive Rights

Service Provider reserves, holds and may exercise the following exclusive rights in this procurement at Service Provider's absolute and sole discretion and without liability: To seek additional information from any and all Bidder(s); to waive technicalities, immaterial irregularities or minor informalities at any time and for any reason; to abandon the procurement process and withdraw the RFB at Service Provider's convenience at any time and for any reason (including no reason); to reject any and all Bid(s) without disclosing the reason therefor; to request clarification or modifications; to select finalists; to accept non-conforming Bids; to change the due date for Bids and contracting; to accept the Bid(s), in whole or in part, or to enter into any agreement that in its judgment best serves the interest of Narragansett; to supplement, amend or otherwise modify the RFB through the issuance of addenda to all prospective Bidder(s); and to conduct investigations of any and all Bidders and their submissions as the Service Provider deems necessary or convenient.

2.9 Nothing in this RFB shall be construed or deemed to obligate Service Provider to negotiate with or accept a Bid of any Bidder. If a Bid is selected by Service Provider, Bidder agrees to enter into the MCSA according to its Bid in the event that a written notification of award is received via electronic or other means before the expiration of its Bid.

2.10 Service Provider shall deliver the RECs to the successful Bidder(s) utilizing the NEPOOL GIS. Delivery shall occur on one or more dates prior to June 1, 2024, at the option of Service Provider, subject to the payment provisions specified in 2.11 below.
