

National Grid has issued a Request for Bids (“RFB”) for the sale of MA Class I Renewable Energy Certificates (“RECs”) that meet the Massachusetts Renewable Energy Portfolio Standard (“RPS”). The following table summarizes the quantity of certificates that National Grid is seeking to sell:

Year	Quantity	MA RPS Qualified NEPOOL GIS Certificates (Class I)
2024	73,000	Yes

Cover Letter & Bid Form are due by 10am EPT on Thursday August 15, 2024. Winning Respondents will be informed by 5pm EST.

It is National Grids intent to deliver the RECs to the Buyer in the trading period which they are sold.

National Grid has created a website to supply information necessary to submit a bid for these certificates. Please use the following link to access this data:

<https://www.nationalgridus.com/Wholesale-Electric-Supply/>

The Environmental Certificates, Request for Bids Documents location contains the following information:

- Announcement.
- Request for Bids.
- Master Certificate Sales Agreement.
- Bid Form.

Please direct any questions to Kris Hornberger and Anthony Monico at ElectricSupply@nationalgrid.com.
